

## Facilitating Hope, Healing and Fulfillment

Kristiann is an Administrative Assistant at Renew Relationship Counseling. Kristiann oversees customer care and support, as well as plays a vital role in our client services. She also oversees scheduling and information flow, helps manage technical support, assists with digital marketing and social media campaigns, and is integral in our billing services.

Kristiann graduated from Brigham Young University earning a bachelor's degree in Family Life with an emphasis in Human Development. Throughout her academic experience, and following her graduation, Kristiann held a position as a Research Assistant wherein she conducted behavioral coding for the Flourishing Families Project. Kristiann loves research and has enjoyed studying human development and

behavior. Kristiann also has experience working as a Preschool Teacher. Kristiann is passionate about helping children learn and develop socially and emotionally. Due to these interests and skills, Kristiann intends to continue her work in the helping profession and has plans to become licensed as a Marriage and Family Therapist or Social Worker.

In the workplace, Kristiann's skills include customer service and support, phone and in-person reception services, social media marketing, project management, and so much more! Kristiann is intelligent, easy to connect with, organized, creative, innovative, and always has a smile. Kristiann truly enjoys assisting others! We are so blessed to have her at Renew!

When not at work, Kristiann loves spending time with her husband and 2 children. She enjoys being outside and loves the mountains! Some of her favorite hobbies are hiking and going for a bike ride. She also loves to bake cookies and enjoys a good jigsaw puzzle!
