

Facilitating Hope, Healing and Fulfillment

Richelle is the Administrative Assistant at Renew Relationship counseling. She graduated from Utah Valley University with an Associates Degree in Dance and continued on in her dance career as a professional dancer dancing for Wasatch Contemporary Dance Company. She also has a big passion and love for interior design, and was incredibly lucky to recently build a fully custom home! She is quite ambitious and plans to start her own interior design business one day!

At Renew Relationship Counseling, Richelle works hard to achieve high levels of Customer Care and Support. Her favorite part about being an Admin Assistant in helping others feel loved and important as she helps them through their counseling journey! Her goal every day is to brighten the day of everyone she speaks with! Richelle plays an important role in facilitating client education, helping orient new clients to our services, as well as client services and case management. Richelle oversees scheduling, information flow, and technical support, and is at the forefront of our digital marketing campaigns, company branding development, public relations efforts, and social media projects.

In her free time, she loves spending time with her husband and dogs (especially going on walks with them together), traveling and getting to experience other cultures and parts of the world, designing and decorating her home, and trying new restaurants/food!
